Withdrawal form

This form may be used when you, as a consumer, wish to cancel a contract in accordance with the provisions of the Swedish Distance and Off-premises Contracts Act (SFS 2005:59) ("Distance Contracts Act"). You also have the opportunity to cancel the contract in other ways than with the form, but it is always recommended to save documentation that shows that you have canceled the contract. The withdrawal period is 14 days. Upon purchase of a service, the withdrawal period begins on the day you entered into the contract. When purchasing a product, the withdrawal period starts from the day you received the product. If you choose to exercise your right of withdrawal, you must inform the Seller that you wish to exercise your right of withdrawal within the withdrawal period.

More information on the terms and conditions of the right of withdrawal and complaint can be found in the Seller's general terms and conditions for the relevant service/product in question. This form must be completed and returned to the Seller if you are a consumer and wish to cancel the contract in accordance with the rules in the Distance Contracts Act.
